Dear Parishioner,

This letter is to interest you in **electronic giving**. Your weekly contributions and attendance at Mass helps to support and maintain our parish community. By giving electronically, your weekly / monthly donations will be helping the parish budget process, even if you are away from the parish, visiting other parishes or cannot attend due to illness.

The enclosed form is the authorization for automatic deductions, from your account, to our account at UniBank. All these forms will be kept confidentially on file here at the Rectory and only Fr. Ernie and myself will have access to this file. We currently have about 40 parishioners who have been giving electronically since March of 2010. Please feel free to call with any questions or concerns.

The authorization form can be filled out and mailed or dropped off to the Rectory to my attention. Deductions will be according to **your desired schedule**. If, at any time, circumstances change or payments need to be stopped, please call and let us know.

On behalf of Fr. Ernie and St. Denis, we thank you for your dedication to the needs of the parish. Please know that you and your family remain in our prayers.

Peace,

Nancy Norberg
Administrative Asst.
St. Denis
